

ALPINE TOWER

High Ropes Course

**Check-in at the Wildman Adventure Resort
Peshtigo River Outpost**
N12080 Allison Lane | Athelstane, WI 54104

DESCRIPTION:

Challenge: yourself, your friends, your management team, or your special group. The Alpine Tower is a remarkable high ropes course adventure constructed on a series of vertical towers providing an unforgettable outdoor experience. Our basic program is a half-day session in which you will "summit" the tower and experience the dramatic "swing by choice". Alpine tower programs are a tremendous family experience because children and adults of all ages can participate in the variety of events offered.

Alpine Tower Programs are highly adaptable for various groups and needs. Problem-solving tasks encountered will develop skills for managing day-to-day problems that occur in any group setting.

SAFETY...the top priority at the Wildman Adventure Resort. Participants are on belay at all times with ropes tied directly to the harness. Belayers are backed up

with belay monitors. The finest equipment and state of the art policies further enhance the overall safety of the system.

WHAT TO BRING:

Dress for the weather and wear comfortable clothing that allows for maximum range of motion. A closed toe shoe is also a good choice (no flip flops or bare feet).
