**Lead Bartender / Golf Event Organizer:** On the Wildman Adventure Resort property we have a 9 hole golf course, bar and restaurant. Guests gather here in-between adventure trips viewing photos of their trips and playing a round of golf. We cater to our adventure guests, the local community and our golf members. Starting salary is \$9.50 per hour plus tips.

### Responsibilities

As the lead bartender, you would be responsible for:

- Creating a connection with customers and providing timely service and an excellent experience to our guests. • Taking orders, mixing and serving drinks, and collecting money.
- Prepare light food and assist kitchen staff while delivering food in a fast-paced environment.
- Maintaining a clean bar, bathroom, work area, and tables. • Inventorying stock and ordering supplies as needed. • Greeting and checking golfers in and out.
- Organizing special events such as golf outings or golf tournaments.

### Qualifications

The right person is honest, high energy, friendly, and professional with a desire to connect well with others. We are looking for someone self-motivated and able to work independently with good communication skills. Experience is preferred but we will train the right person. Golf knowledge is a plus. An ideal candidate loves to work with people, show our guests a good time, and wants to have fun on the job. You are empowered to get creative and mix and name your own drinks. Have your very own adventure signature cocktail! When our adventure trips are over, the crowd heads to the bar to view photos and talk about the highlights of their trip. When our guests are out on trips the bar is much quieter. Many times you will need to take charge to make good use of your time. **The position is full time or can be a great way to mix things up and maximize your income potential when paired with guiding or customer service.** If this interests you, or if you have questions about a position as a bartender and event organizer, please submit your application. **Must be 18 to bar-tend in the state of Wisconsin.**
