# Photographer (must have DSLR Camera)

### **Description**

Wildman Adventure Resort is all about action and we want you to capture it. You will interact with our guests before and after their trips. Group photos will get the energy started. Then, from the banks of the river you will photograph each boat of 8 people as they experience class 3 and 4 rapids from a 16 foot whitewater raft. Later, you will display your photos from the bar while each person relives that incredible moment. Your pay includes a flat rate for every rafting trip you photograph plus a commission for each USB you sell from that trip. These sales are typically quite easy to obtain. This is a full time position and very rewarding. An adequate camera is required. Sales experience a plus however, we are happy to train. Drivers license required.

# Responsibilities

- · assisting with guest check in process
